

# Labels for OKI Colour Printers

The very best labels for use with OKI colour printers. Labels are available in different types of media:

- P1 - soft, flexible, micro-porous media
- LP-125 - laserplas, 125 micron, durable and tear resistant
- LP-200 - laserplas, 200 micron for more rigidity
- LP-250 - laserplas, 250 micron for more rigidity

All labels are waterproof, UV resistant and ready to use straight off the printer.
